

## Directions:

Take College Drive if you are coming from Hooper Avenue, or H. George Buckwald Drive if you are coming from Church Road to Parking Lot #2.

From Parking Lot #2, we are in the building on the left hand side of the skyway. Go straight up the ramp, turn left and enter through the sliding door facing the planetarium.

Turn right at the stairway and go through the door. Our office is the first door on the right, room A-211.

In this picture, we are in building 18 on the right with the lone window facing the planetarium (building 17).
